As you are aware, a very well educated and talented segment of New Jersey's population is unemployed due to current economic conditions. The State, as well as the County is committed to assisting these workers find other employment and training opportunities and helping employers find the right applicants to fill their open positions. The event we are planning would be immensely beneficial not only to this highly qualified workforce but also to the employer community of New Jersey.

For you, as a valued New Jersey employer, the Resource Event would be an ideal opportunity to meet many of these workers who could fill your current and anticipated job openings. We expect the jobseekers to be a balanced mixture of white collar/college degree, as well as entry level, and a wide array of skills and experience from various sectors and backgrounds. We encourage and invite you to attend this event and participate actively to make it a success for New Jersey's displaced workers and for yourself.

This Resource Event will also include workshops on; Using LinkedIn for your job search; resume writing and critique; interviewing; just to name a few. Our previous event registered more than 650 jobseekers!
